## Important information about compensation arrangements

The account(s) listed in this statement are eligible for cover under the Financial Services Compensation Scheme (FSCS).

Protected

We're covered by the FSCS. The FSCS compensate depositors if a bank can't meet its financial obligations. Most depositors – including most individuals and businesses – are covered by the scheme. We'll give you the FSCS information sheet and exclusions list once a year. This tells you what is and isn't covered by the FSCS in lots of detail.

The FSCS protects eligible deposits up to £85,000 per person. The FSCS apply this limit to each person, and to the total combined amount of any money you have with the provider. For joint accounts, each account holder has a claim to their share separately. That means that in a joint account held by two eligible depositors, the maximum amount each person could claim is £85,000 each (for a total of £170,000).

For more information about FSCS compensation, head to the FSCS website at [www.FSCS.org.uk](http://www.FSCS.org.uk)
